JRMC Foundation & Patient Privacy

Do you wish to receive any informational only mailing such as AppleSeeds from JRMC Foundation?

The privacy provisions of the Federal Health Insurance Portability and Accountability Act of 1996 (HIPAA) apply to health information created or maintained by health care providers who engage in certain electronic transactions, health plans and health care clearinghouses. HIPAA governs how health care providers like JRMC handle patient information. HIPAA permits JRMC and its institutionally related foundation, JRMC Foundation, to use certain information (e.g. patient ID, name address, telephone number, dates of service, age and gender) to contact you in the future to raise funds for the benefit of JRMC, provided that patients are given the opportunity to "opt-out" of such fundraising communications.

If you are a current or former patient of JRMC and you wish to have your name removed from future fundraising communications supporting JRMC, please call the JRMC Foundation between 8 a.m. and 4:30 p.m., Monday – Friday at (701) 952-4880. You may also check this box:

Patient privacy opt-out is only for past and current patients of JRMC. We will honor your request not to receive fundraising communications from the JRMC Foundation after the date we receive your request.

The following is intended for JRMC office use only.
