WE REMEMBER THEM

(LEADER) In the rising of the sun and in its going down
(ALL) We remember them

In the blowing of the wind and in the chill of the winter
We remember them

In the opening of the bud and in the warmth of the summer
We remember them

In the rustling of the leaves and in the beauty of the autumn
We remember them

In the beginning of the year and when it ends
We remember them

When we are weary and in need of strength
We remember them

When we are lost and sick of heart
We remember them

When we have joys we yearn to share
We remember them

**So long as we live, they too shall live,
for they are now a part of us
As we remember them**

UNTIL WE MEET AGAIN

We think about you always,
we talk about you still,
you have never been forgotten
and you never will.
We hold you close within our hearts
and there you will remain,
to walk and guide us through our lives
until we meet again.

Hospice is not
about giving up...

Hospice is about
making the most
of the days we
have left.
